Exams, Dates Eclipsed By Annual

Pr Claude Grelling

Expectancy of final exams, the end of the year, the beginning of school-locust date and even the approaching summer are being overshadowed by the dominating domination of professional baseball by those perennial New York Yankees, were completely overshadowed by the Wartburg baseball squad by the impact of the opportune arrival of Yankee pitcher Mel Oestert and Of Manager Yankee.

Oester finally got his 1950 baseball form into high gear this weather cooperated by keeping the temperature at a degree or so warm and dry. Five hundred and fifty baseball fans Tuesday took advantage of the situation to accompany the baseball squad to see if they could by hands on, including the Yankees' Manager Yankee.

Opinions voiced concerning the game ranged from the most pessimistic, even though not many were willing to go that far, to the most optimistic. "This is the greatest day in baseball since I've been in the game," was the statement of the relative importance of the day. Wartburg's baseball team, Coach Oiehler and his staff an all-out baseball enthusiasts.

Most often mentioned was probably the satisfaction of not having to Fortress before school is out, as Wartburg's 1950 yearbook is delaying in the Dec 3 and 16 issues.

5 More Tutors Sign For Teaching Jobs

Contracts have been signed by five more special graduates for teaching jobs next year. Of the five, three will teach in the secondary schools and two will teach in the elementary schools.

Those who have accepted positions in the secondary level in the past two weeks are Orville Bruns, who will teach biology and vocal music at Manly; Mary Ann Grossmann, music at Woden-Stock, and Walter Block, mathematics and science at Auburn.

Elementary teachers who have accepted positions are Marian Petersen, kindergarten at Belmond and Bonnie Mae Schultz, fifth grade at Garner.

Trumpet Is Honored

Honorable mention was awarded the TRUMPET this week by the judges of the 1949 Collegiate press contest on editing for its excellent treatment of the Centennial issue. The judging in the Dec 3 and 16 issues.

College Choirs Use Liemohn Numbers

Many colleges throughout the United States are singing the compositions of Professor Edgar Liemohn of the Wartburg faculty. Faculty and students of the college are familiar with many of these compositions.

Choirs of Texas Lutheran college, Seguin, Texas, Valley View, Ill., and Gustavus Adolphus have sung Liemohn's "Hymn of Praise" and "A Mighty Fortress Is My God." Other compositions of Dr. Liemohn's "Concert Mass, Glory Be to God on High," has been sung by McPherson college choir, Carthage choir and by the Wartburg choir. "Sing to the Lord a New Song" is the title of a composition by the Capital university chapel choir.

Dr. Liemohn's number, "Awake, My Soul from Slumber," was used by the Wartburg choir and by the Westminster Choir school of Princeton university.

Music, Music Is There For Mammoth Concert

Music, music, music—that's the theme for tomorrow evening when the music department presents its mammoth spring concert at 8:15 p.m. in the Knight gymnasium. All musical organizations will take part in the program. Their efforts in presenting the concert will be the first to be launched on this campus.

Leading off the list will be the first performance of Dr. G. Wallace Woodworth's "Song to Youth," which was set to music by Dr. E. Arne Hovdesven, head of the department with the assistance on the words of Dr. Lloyd Svendsbye of Odegard, director of the band. The selection will be given jointly by Curtis Sievers and the band.

Another number to be presented by the combined groups will be the march "His Honor" by Fillmore. The "French Quarter" suite by Morrissey and "Comedians Galop" by Kabalevsky.

Castle Singers will then present the second of the numbers which will be used in their spring formal concert. Included here are two spirituals, "Joshua Fit de Battle of Jericho" and "Ezekiel Saw de Wheel." Also on the "Americana" by Hoegh will add a lighter note to the presentation.

Second part of the concert will be introduced by Donald Miller, voice instructor here, who will sing "Where'er You Walk" by Handel's "Semele." It was a favorite of Jenny Lind. "Remembering" by Warren and "Ingrid Bergman" by Gallico.

Miss Wilma Schell, piano instructor, will present "Waltz of the Spectre" from Liszt's "Annee de Pelerinage," and the "Winter Wind" etude, Opus 25, No. 11, by Chopin.

Music by Mellin Christiansen will be featured by the Wartburg choir when they take the stand with "Sanctus" by Gounod and "Lord Godts, senior, will solo in "Father Most Holy." The choir will be followed by the last three movements of "Celestial Suite."

Cooperation Needed.

"We need the full cooperation of everyone to make this procession go off smoothly, as planned," added Dr. Sweetman. "I ask all graduates to keep in mind that we remember that the exercises actually start with the assembling of the procession. If everyone is on time, it will be more enjoyable for all concerned."

Dr. Franklin C. Fry, president of the United Lutheran church in America, will give the commencement address on "Youth and the Edge of Good and Evil." Head of the liturgical service will be the Rev. Ronald Hoffmann, Grand Rapids, Wis., and the Rev. Paul A. Hieber-Mann, from Mason City.

Cronrath Appointed

Appointed to the business management staff of Castle Tales, college literary magazine, this week was Dorothy Cronrath, freshman from Waterloo. She is a reverend to Katherine Smith, junior editor-in-chief of the magazine.

It's Inventory Time

At the end of a fiscal year business places make it a practice to take inventory of their stock of goods, to determine what has come into the business, what has gone out and what is remaining. Perhaps at the end of a school year the same system could be used, to advantage in evaluating the progress of us, the students of Wartburg college.

What has gone into this business of going to school? Undoubtedly, it has taken much hard work on our part, patient tutoring on the part of our instructors and, though often taken for granted, a great deal of sacrifice and concern from our parents or friends.

Many other things have gone into our college workout only the things that the present generation has contributed, but also the work of generations in the past that preserved and compiled the knowledge which we seek and which have built and produced a Christian institution where we can strive for this truth.

What have we taken from this year of college? Just as no two businesses make exactly the same profit or put the same dividends, no two students will take exactly the same quantity or quality of value in their work in school. But we can say with some certainty that we have taken from our year of college in proportion to that which we have put into it. In business big profits come from a big turnover in goods—in college it might be called a big turnover of hard work and scholastic endeavor.

We've received from our courses a better insight into this world in which we live—whether we've studied in the field of social science or natural science, economics or religion. We've gotten from our extracurricular activities a greater appreciation for the virtues of dependability, tactfulness and perseverance. We've learned from the good character life and contact with fellow students a greater understanding of the people around us—our friends, our neighbors and our acquaintances.

And what have we left? We hope we have a more well-rounded personality, a more fluent ability in the art of speaking and understanding, a better realization of the problems which confront us today and perhaps the beginning of an insight into which we can solve some of the—and the stumbling blocks that have confronted the world from the beginning of time.

Perhaps from this maze of study and procrastination, disappointment and success, encouragement and discouragement, hurt and happiness, friendship and enmity will come a few individuals who will mold the future progress of the world—and mold it into a form far superior to any yet devised by mankind.

Political Pageant

By Claude Grelling

Thanks For Your Help!

This, I guess, as the "goodie" issue of the TRUMPET. The old staff, with a few old hand at typewriting work, is leaving the premises to make room for a new array of editors and reporters next year. And I become the last one, because this is something special. I am going to break a rule of journalism—I'm going right WOH—and write in the long-forgotten, much abused first person.

This marks the end of my second year as political columnist of the TRUMPET. When I started out in 1948 I had had many illusions, many ideals and very little experience. I started out somewhat illogically and have followed the world out. They did, even though I may have offended many people in these two years—sometimes through my own stupidity and illness, I am afraid, through stubbornness. To those people I herewith say "I'm sorry for me."

Then there are the people who helped me, by criticizing and commending, suggesting improvements and giving me weaknesses. They taught me many valuable things, about world affairs, about journalism, about psychology. But above all, they told me that people are kind and always willing to help. Thanks to them, I have learned to add what little I did to the world's knowledge and to my school.

The purpose of this column has always been to stimulate thought about some of the things I happen to think important. My limited knowledge of the field made it impossible—even really to present my solutions to the many problems. But if you, either because of agreement or disagreement, have sometimes made you furious, because to think seriously about some of these things, you have been led one to accomplish the purpose. You are the ones who will have to arrive at solutions; the only thing I can do is say what I think about them.

Next year I will be writing editorials instead of Political Pageant. I am sure you will give my successor with me many times. I won't promise that I'll be doing as well myself for the first few years you can, nor that the editor any time, and it will be printed. If you feel cuss more than once, write me a post-card and I'll read it, to see if I can improve in the next issue.

Well, here's thanks to you for putting up with me for two years. Let's hope that we will have many occasions to agree and as few as possible to disagree in 1950-51.

No Adviser Today

According to tradition, the last issue of the TRUMPET each school year is put out entirely by the staff—that's what the adviser doing no advising.

To Our Readers

Fellow Knights:

I want to reverse the procedure this week, and instead of you writing a letter to the editor, I'd like to write a few words to the students, faculty, staff and friends of Wartburg.

It seems that only a short time ago I began my duties as editor of your school newspaper, with a slight feeling of awe and anxiety—hoping that I could keep producing a paper worthy of the fine group of students whom it was to represent. Now, with the year almost ended, I have a different kind of feeling—a feeling of deep appreciation for the fine support and cooperation that has been mine in the year, and a feeling of regret that my term as editor is over.

The TRUMPET this year was produced with a lot of work on the part of a large number of interested, capable and extremely willing young journalists. And it took a lot of cooperation and good work from the staff in the Independent and Democrat, who printed our papers each week with never a grumble, never a complaint—although we could well have deserved one.

The year could have been a hair-pulling one for me—but it wasn't, for I had one of the grandest staffs, from top to bottom, that anyone could wish for. I can't mention all the persons to whom I owe a million thanks, but there are a few who deserved special praise. A letter of all, there's Miss Margaret Wolff, our adviser, who has gone far beyond the call of duty as a counselor and a friend. Bill Boyken is to remember for the business managers' job he's doing, and Henry Grabowsky, for keeping us in the black this year; Alden Meidinger, for keeping the sports page in top-flight form; for keeping the 100 inches of advertising rolling each week; John Wurz, for his patience in distributing the papers each week and in and week out into a neat little piece of work; to Omar Sunderland, for his old editor knows well; and to so many things about newspaper work.

I've deliberately left one person in the list—Claude Grelling, a frank and forceful fellow who's been managing editor this year, and who, I hope, will be editor next year. Claude has saved the day for me many a time this year—including this Thursday, when I became ill and Claude, with a splendid game that I forgot to take the copy to the printer) and who has learned the lesson necessary to be a good editor—to trust people.

To him, I say, "Good luck, Claude—you deserve nothing but the best."

And to the rest of you, I say "so long." It's been a wonderful experience and a real privilege to have served you this year.

At Helm Of Castle Tales

Claude Likes Journalism

By Dave Geske

Journalist, debater and Grossmannite well describes Claude Grelling, junior and this year's editor of Castle Tales. Known on campus for his staunch political stands in his Political Pageant column, Claude is a world traveler, native Germanite and literary genius.

Journalistic endeavor being Grelling's first of extracurricular achievement. TRUMPET and Castle Tales editorships, along with membership in Alpha Phi Gamma, journalism fraternity, fit well into Claude's future plans of teaching high school English.

Referring to Castle Tales, corpsed: "Every editor should be assured, "We've got something worth publishing. Our biggest fear for increased student interest."

Will Wartburg succeed.

As for TRUMPET plans, Grelling said, "We hope to have a welcome letters to the editors, guest editorials and, of course, discussions of student opinion. If it don't, well, we'll try."

Recent readership polls pitted the paper for making the publication a truly student organ.

Bull sessions, discussion groups and just plain arguments rub Claude's fancy the wrong way the right way, as evidenced by his columns, "I like to stir people to sense with."

Claude's accentuated intonation and political fanatic expressions lend themselves well to Grelling's love of disputation.

Debating

Personal tastes run from sports, swimming, and basketball to football to music, from Bach to Prokofieff, from Liking my mind modern contemporary literature and from-hand to study time. Grelling, as does the phrase, "I hope I've been fair minded in my other five years."

Proof of his powerful what-do-you-like-about-Wartburg quotes this: Claude sighs pleased, "It has helped me more than any other school I have attended." Then, slightly ironically come the addition, "In spite of the critics, it has a Christian spirit."

A refugee arrival of 1947, Claude has applied for final citizenship papers. Post-graduation hopes are for teaching and graduate education. Now still in Waverly will occupy his summer hours.

Knights Wind Up Games Today

Wartburg will wind up its 1950 baseball season this afternoon at Dubuque when the Knights tangle with the Dubuks of Loras.

Coach Emmo Schumacher's charges will attempt to recover from their three-game losing skein which they encountered at Wartburg and Buena Vista last week end.

5-6 In Conference

Going into this afternoon's game Wartburg has a conference record of three wins and six losses—the Knights have played eight and eight marks against all competition.

Playing their last game in Black and Orange togs will be five seniors regulars. Ralph Anderson, Paul Bruns and Lloyd Spier, third baseman Bob Roese, Stan Wirtes, the sayerjester, and pitcher Paul (Red) Kaltwasser.

All 5 Important.

All five have been important fixtures on Knight nines during the past three or four years, with Lechner and Spier lettering four times. Roese, Spier and Bruns have been important men at the plate while Lechner has been the mainstay of the Knight hurling staff for the past four seasons.

Bruns, Wartburg's three-sport star around-the-bases ace and Orange teams have been built during the last four years with the sorely missed next year as will Stan Wirtes, who's modesty during a good game at second, did a great job of quarterbacking on the gridiron.

Roese Selected Week's Athlete For Road Hitting

By Fred Mobery

Because of his terrific batting on the road trip last week, Bob Roese, senior from Pomeroy, was selected Wartburg's Athlete-Of-The-Week by the "W" club. Bob was recently chosen captain of the baseball squad by his teammates.

Last week Roese paced the Knights at the plate against the Wesleyan aggregation when he hit two for three in the first game of the double header. In the night cap he hit one out of two.

Against the Buena Vista Beavers this 24-year old ex-sailor pounded out a three hundred sixty foot homer as he chalked up a three for four day, amounting Bob as new leading Wartburg batters with an average of .333. This season he has been at bat 46 times and has secured 16 hits.

This dark-haired senior is majoring in Physical Administration and in Physical Education. He has served the "W" club as president and as secretary-treasurer. Other athletic activities include wrestling in the Den, golfing, horseback riding and basketball.

Sports were not Bob's only interests in life as he has played in a concert in the band and sang in the Choral club and in the mixed quartet.

Looking Back On Year Of Sports Wartburg Makes Its Weight Felt

By Chuck Eads

As we come to the close of another school year it is interesting to look back in retrospect at the fortunes of Wartburg athletic teams throughout the year. Engaging in a complete seven-sport program, the Knights on the field of battle made their weight felt both in the conference and in the Midwest as a whole.

In early September the dopesters were dubbing Wartburg's gridders "darkhorse of the Iowa conference" and "the team to watch."

Gridders Win 5; Lose 4.

Falling a bit shy of this pre-season paper rating, the Knights still managed a winning season with five victories in nine engagements and copped fifth place in conference play, winning four, losing three.

Basketball season saw the new north-south division of the conference in effect for the first time. Playing in the northern section, Wartburg finished second to tie for third as they won four and dropped six. A week start coupled with six losses by four points or less, gave the Knights of the hardcourt a rather mediocre 8-11 season's record.

Wartburg's conference champion wrestlers won their third straight title, but this time they were given a tougher battle for the crown. St. Ambrose gained second and trailed the Knights by only four points in the championship tourney held here.

Grapplers Split Meets.

Even the south side invasion teams were from schools which easily, on paper, rated a cut above the second division and a commendable record with five wins and as many losses.

A scrappy bunch of track aspirants turned out on Wartburg's new cinder track for the first time this spring and went on to win both dual meets held here. Wartburg cindermen finished second in a triangular meet at Luther and took a close second in the Viking relays at Rock Island in a strong field of seven Lutheran colleges of the midwest.

Baseball was the leading player in the north division preliminary season a week earlier, for Wartburg went on to finish fifth among the 12 conference schools in the final count.

Baseball Improves.

Your straight wins in mid-season helped give Wartburg's baseballers a fair season, an improvement at least over the losing record. With one game to play the Knights have won five and lost eight. A win over Loras at Dubuque this afternoon would give the Wartburg nine a 6-8 record in the conference and third place in the final standings.

Wartburg tennis team had one of its poorest seasons, gaining only a tie with Luther while losing five matches to the eight strong opponents. Prospects of a good season in '51 are quite favorable, however, with this year's quartet of Herter-Sather-Rand-Kroner returning and letterman Bill Ulrich back after a semester of ineligibility because of transferral.

Playing larger schools for the most part, Knight golfers also had one of the better years. With Art Muller shooting near par on all courses, Wartburg was able to win three while losing five and finish fifth in the conference and the Knights as a team finished seventh.

Trackmen End Season With Fifth In Tourney

By Rudy Kalberg

Coach "Ax" Bundsgaard's Wartburg trackmen wound up their 1950 competition last Saturday when they captured fifth place in the Iowa conference championships at Loras college, Dubuque.

As expected, the meet was a battle between two intercity teams, with Loras edging Dubuque university for conference laurels. This is the third consecutive conference title for the Duhawks.

Waldo Platte copped his third conference title in the two-mile run as he was the lone first-place winner for the Knights.

The triumph left the all-around Waverly athlete undefeated in three years of Iowa Conference meets.

How They Finished

Loras	61
Dubuque U	54½
Luther	32
Simpson	22
Wartburg	19½
Upper Iowa	17½
Westmar	17
Parsons	9½
Buena Vista	6½
Iowa Wesleyan	2½
Buena Vista	2½
Central	0

two-mile competition. Waldo ran the distance in 10:21.4, crossing the finish line 13 yards ahead of his nearest opponent.

Twice Edged Out.

Wartburg's other distance ace, Ralph Tews, again shadowed Dubuque's Bert Johansen in the mile run. In taking second place, Ralph finished close behind Johansen, who turned in a 4:31.8 time. In the dual meet here, Johansen had barely edged Tews for his only other conference defeat prior to the finals.

Coming within a yard of taking the mile relay honors, the quartet of Wiltshire, Brown, Reec and Rowland just missed winning the event. Carrying the baton on the anchor leg, Bob Rowland gained on Loras' Voothes but didn't quite overtake him. This dash for the tape in the mile relay was the first-place event for the Knights.

Bob Rodewald placed in the broad jump as he finished fourth. Rodewald was again jumped by his old rival, Ron Wiersma of Loras, who finished in third place. The two Duhawks have been carrying on a feud ever since their prep days in Fort Wayne, Ind., Rodewald seemingly always just behind Wiersma, after a performance on the basketball court.

Campbell, Keller Place.

Bob Campbell reached 11 feet 9 inches with the bamboo, giving him fourth place in the pole vault event. Jim Keller's toss for fifth place in the high jump added another point to the Wartburg's total.

"Pete" Becker grabbed a fourth place in the javelin throw, with a 160 feet 7 inch toss.

Field events saw four Iowa conference records fall by the wayside.

Coach Vic Grotinus chalked up new marks in the discus and shot put. He pegged the discus 147 feet 11 inches, he easily surpassed the old mark of 140 feet 6 inches. In the shot put the Westmar ace had a 46-7½ toss to better another record Bob Woodcock of Simpson set a year ago with marks of 12 feet, 6 inches, erasing his 12-2 record he set last year.

In the hurdles, Lubart of Loras won both the high and lows and second in the pole vault to be a conference double for the day with a points. Upper Iowa's Cecil Kelley smashed records in the 100-yard dash and the 220-yard dash.

In New Orleans, Louisiana, a favorite gathering spot of students at Tulane University is the Student Center because it's a cheerful place —full of friendly collegiate atmosphere. And when the gang gathers around, ice-cold Coca-Cola gets the call. For here, as in university haunts everywhere—*Coke belongs.*
